so as a silver star, Purple Heart holder plus many visits to Veteran Hops also had a Relative K.I.A to hear over TV + Radio Members of Selective Service send the black Muslim Cassius Clay unfit for military duty. General Hershey its a rotten insult to every decent Red Blooded American who done their bit or are due to be inducted we had the 5 per cent Vaughn, then the Balser case now Cassius Clay unable to pass test for service to the Country that permits him to go about and sneer at the Boy Scout Women Who Did serve, is it any wonder we have the Oswalds the Rubys the Stuarts Lestons and now the yellow dog Clay who should be proud to serve this America but can may we ask who were members of this Selective Service who stopped under duress to insult every American gen I'm must admit I do or not Clay could be used in some branch of service. Not combat be in S.A & but just members who let them get away with it showed hang heads in shame. Where are all the 4th July Veterans that they don't scream across America over
